

INVISALIGN VIRTUAL APPOINTMENT

STEP 1: Make sure to have your current Invisalign aligner in, grab two spoons and someone to take your photos.

STEP 2: Take four(4) photos of your smile, including: biting down like normal, your mouth slightly open, left side, and right side.

STEP 3: Fill out the form on our website to get your exam starts. Once we reply, send us the four(4) photos you have taken.

STEP 4: Someone from the office will contact you about your treatment and let you know it is okay to swing by the office at your convenience to pick up your next set of aligners.

SEE BELOW HOW YOUR PHOTOS SHOULD BE

Have your current Invisalign aligner in, two spoons and someone to take your photos.

Using two spoons on both sides pull back the cheeks and take a picture aiming at the front teeth! One biting down completely and the other with your mouth slightly open.

Use the spoon on each side of your mouth to show the right and left side.
